

SIR JOHN SOANE'S MUSEUM LONDON

THE BUILDING EXPLORERS AFTER SCHOOL CLUB

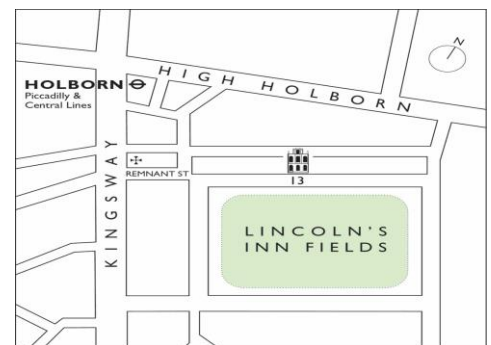

Hosted by Sir John Soane's Museum, former home of the famous architect John Soane, this club aims to engage children in learning about the built environment and exploring their own creativity through craft and art-making. The club is free of charge and we collect children directly from school. This opportunity is open to children from Years Four and Five from our three closest primary schools.

When? The sessions will take place on Tuesdays between 4pm and 5.30pm, with ten sessions per term. The club starts on September 28th.

Where?

Sir John Soane's Museum
13 Lincoln's Inn Fields,
London,
WC2A 3BP

How do we get involved or find out more?

Email education@soane.org.uk to find out more or to secure your child a place for 2021-2022 (the twenty places are allocated on a first come, first served basis).
