

# WEEKLY TASK SHEET

Monday 13<sup>th</sup> July 2020

Nursery & Reception ☺ Here are some learning activities you could complete this week.

<p><b>Understanding the World</b></p> 	<p>This term in EYFS we have been fundraising for WWF by adopting an endangered species in the Rainforest. Draw a picture of each. Which animals are they?</p>	
<p><b>Literacy</b></p> 	<p>Write some invitations for the members of your family asking them to join you for a tea party! You can practice signing it by writing your name carefully. Afterwards you can write a recount of your tea party. And if you still have more to say, retell the story of 'The Tiger Who Came To Tea' in your own words. (While you illustrate it, an adult can write it or can help you to write it.)</p>	
<p><b>Maths</b></p> 	<p>Practise doubling and halving and sharing:</p> <p>Sharing - <a href="https://stclements-pri.s3.amazonaws.com/uploads/document/EYFS-Maths-Sharing-problem-solving.pdf?ts=1591686164">https://stclements-pri.s3.amazonaws.com/uploads/document/EYFS-Maths-Sharing-problem-solving.pdf?ts=1591686164</a></p> <p>Halving - <a href="https://stclements-pri.s3.amazonaws.com/uploads/document/EYFS-Maths-Halving-problem-solving.pdf?ts=1591686164">https://stclements-pri.s3.amazonaws.com/uploads/document/EYFS-Maths-Halving-problem-solving.pdf?ts=1591686164</a></p> <p>Doubling - <a href="https://stclements-pri.s3.amazonaws.com/uploads/document/EYFS-Maths-Doubling-problem-solving.pdf?ts=1591686164">https://stclements-pri.s3.amazonaws.com/uploads/document/EYFS-Maths-Doubling-problem-solving.pdf?ts=1591686164</a></p>
