

Summer Term Newsletter

Join Fit For Sport every day at our school's Extended School Club

Latest News

Summer term extended school clubs with Fit For Sport are back for the full final term of our differentiated academic year! Our school and Fit For Sport are delighted to offer families safe and active extended school club services each day that provide opportunities for children to access a range of fun and enriching experiences. This parent newsletter provides useful and exciting information about what Fit For Sport Clubs have planned for the summer term and school holidays.

A word with Fit For Sport

Welcome back! - we are so delighted to have been given the green light to re-engage children by arming them with a range of skills that bring back all the fun and enjoyment that has been missed throughout 2020/21 so far! The health and wellbeing of children has never been more important than now. With many facilities such as sports clubs, leisure centres and other extra-curricular clubs still recovering - our Fit For Sport Extended School Clubs will allow children to enjoy an engaging environment that provides opportunities for valuable social interactions and fun packed activities. We have already missed out on so much last term and are looking forward to a full term of; Supersports, Teamtastic Challenges, Crafty Kids, Outdoor Fit Factor, wellbeing warrior and much more. With the Spring Term being a short one, we did manage to get back in action and even introduced our new Makaton activities which was a sign of great things to come - as well as some opportunities to get children smiling again which was caught in action below!
