

How to use Spelling Frame

Log in (parents have been sent their child's account details via email).

You can choose your own spelling words to practise or you may see a message saying that spellings have been set. If so, click **Dashboard** then this will appear:

The dashboard features a top navigation bar with links for Home, About, Contact, and Custom Lists. Below this, the 'Your Spelling Points' section displays a table with the following data:

Total	0
This Week	0
This Month	0
This Academic Year	0

Below the table are two buttons: 'Class Leaderboard' and 'School Leaderboard'. The 'Active Tests' section shows a test scheduled for 'Saturday 13 June 2020' with a 'Test Pending' status and a 'Go To Test' button. A blue arrow labeled 'Click' points to this button. The 'Latest Test Results' section indicates that no tests have been completed yet, with a 'See all results' button.

The main interface has a header with the 'Spellingframe' logo and a navigation bar with Home, About, Contact, and C. A 'Test' button is visible in the top left. A blue callout box contains the text: 'At the start of the week you can do the practice test. Then on Friday do the main test and see if you can beat your score.' A blue arrow points from this box to the 'Practice / Test' button. Below the buttons are two sections: 'Spelling Tiles' with the instruction 'Choose from a range of activities to help you learn the spelling of your chosen words.' and 'Practice / Test' with the instruction 'Choose to practice spelling the words on your list or take a test with them. If you choose to take a test, your scores will be recorded and sent to your teacher (if you are logged in) or they can be downloaded and printed.' At the bottom, there is a 'Play Games' section with the instruction 'You can play any of the games below. If you choose 'Test Mode' in a game, your score will be saved and sent to your teacher. Your score will not be saved if you choose 'Practice Mode' but you will get Spelling Points.' and two game buttons: 'Snowball Smash' and 'Defend the Tree'.
