

Ideas for illustrations and collages in the style of the illustrators in the Just So Stories

Wonderful use of water colour here. Note the different pencil techniques used like the dashed line for the sea.

Ideas for illustrations and collages in the style of the illustrators in the Just So Stories

Look at all the different textures that were used here to build up the pictures. What have you got around home that you could use. Make sure you have permission though!

Ideas for illustrations and collages in the style of the illustrators in the Just So Stories

Wow what vibrant colours-look for block colours you can cut out from magazines to represent your animal

*I can think of a few people this style would suit-
outlining figures is very effective here*
