

Where The River Runs Gold

by Sita Brahmachari

Questions on Chapter 10

(Remember to use PEE point, evidence, explain when needed)

1. What more do we know about Themba now?
2. Why does the author use the term navigator rather than driver?
3. Why is this description so effective? “...then stick shapes, then dots on the horizon before finally melting away.” (Do just write you can visualise it.)
4. Why were the seeds on the tattoos differently arranged?
5. What do we predict about the character, Luca? Why do you think he is like he is?
6. Why would it be considered usual for them not to have seen their city before?
7. Why did Shifa recognise the Beedrone?
8. What are your predictions for what will happen next?
