Weekly Challenge (Topic) 	Beach Day! Year 1 ...it's time to go to the beach! Use all your knowledge about the seaside and summer, get your imagination going and go for a trip to the beach. Get the equipment out and set up your beach in a place either indoors or outdoors which your adults at home don't mind you getting wet!				

Equipment needed:

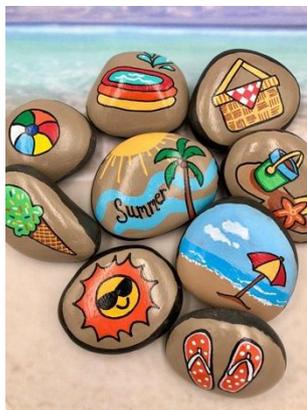

- Towels
- Water in a tub/tray/paddling pool/container
- Homemade ice cream/ice lollies
- Summer clothes
- Sun hat and sun screen
- Seaside music!

Make some [yummy, fruit ice lollies](#) or follow [this simple recipe](#) using salt, ice, milk and flavouring to make some delicious ice cream in a bag!

Set up your equipment and have fun splashing in the water and relaxing on your beach.

Super Challenge!

Some seaside towns and villages have a tradition of painting stones and leaving them on the beach for someone else to find. You could join in by painting your own pebbles or stones found around outside with seaside themed colours and pictures! Look at these examples:

Remember to keep an eye on the [school blog](#) each day this week for other activity ideas.

Well done Year 1 for all your wonderful hard work this term! I hope you have a wonderful summer holiday.

Best wishes, Mrs Dawson

Task 2: Drawing types of Sharks
