Dear Parents,

YEAR 6 NEWSLETTER

Welcome back to the new term. I have been delighted by the hard work and determination that the children have already shown this year. Some excellent work has been produced, progress has been made and as a class we have had lots of fun learning too!

The children are very engaged in their History topic which is focused on World War Two and are looking forward learning lots of new facts. We will be focusing on 'The Piano' animation and 'Rose Blanche' in English and we'll be studying propaganda posters in Art.

PE this term will be netball and indoor team games. PE lessons continue to be on Thursdays and Fridays so please ensure your child has their kit in school every week.

The homework that the children have completed so far this year has generally been to a very high standard. Please encourage your child to do their best when completing homework as it does either build on their learning or will be used within subsequent lessons. Please also ensure your child continues to read every day and make a note of their progress in their yellow reading log.

The weekly spelling test on a Friday will continue. I have been giving particularly tricky spellings as Year 6 have proven to me that they like a challenge! This term, your child will have a weekly SPaG (Spelling, Punctuation and Grammar) and Arithmetic test too.

Last term the children looked very smart in their school uniform and I am sure this will continue but please remember that children should be wearing school shoes rather than trainers or boots. If your child wears boots to school they need to have a pair of shoes to change into. Please also ensure that your child wears their blazer and a coat to school now that it is getting colder. They can also wear the school scarf and hat or navy blue alternatives.

May I also take this opportunity to remind you that as a school we are committed to having high levels of attendance and punctuality. Please do endeavour to help your child to avoid absence where possible and to come to school on time every day so that our attendance is 100% and there are no lates recorded. Year 6 really want to win the attendance and punctuality trophies!

Finally, I would like to say that I really do believe that by working together we are enhancing the learning experiences of your child and are helping them to reach their potential. Please do not hesitate to contact me with concerns, questions or to share good news.

Regards,
Miss N. Gould
Year 6 Class Teacher
