

WEEKLY TASK SHEET

Monday 13th July 2020

Dear Year 6,

Here are your home learning activities for this final week, Year 6!

Maths	<p>Please complete a Maths lesson each day. White Rose and the BBC are working together to ensure resources are available for daily lessons. Use the links below for videos (both) and worksheets (BBC Bitesize).</p> <ul style="list-style-type: none"> - https://whiterosemaths.com/homelearning/year-6/ - https://www.bbc.co.uk/bitesize/tags/zncsscw/year-6-and-p7-lessons/1
English	<p>Click here for this week's resources.</p> <p>Monday: Context- Hidden Figures LI: To be able to comment on a text</p> <p>Tuesday: Context- Hidden Figures LI: To be able to use ambitious vocabulary</p> <p>Wednesday: Context- Hidden Figures To be able to write a speech on how you can be a positive role model</p> <p>Thursday: Context- Hidden Figures LI: To understand and use prefixes to change a word LI: To be able to write a persuasive letter</p> <p>Friday: Celebrate what you have learnt this year! Congratulate yourself on things you have managed to learn and achieve this year. How would you present this? Maybe write a speech, make a video or even make it into graphic novel text. It is your choice.</p>
Spellings	<p>Three spelling lists and tests have been set on Spelling frame. Please practise your spellings every day and then complete the tests at the end of the week.</p>
Reading	<p>Please read for 15 minutes daily. With permission from your adult at home, please sign up for the Silly Squad's Summer Reading Challenge.</p>
<p>Topic Task</p>  	<p>Click here: Spirals in maths, art and music</p> <p>Task 1: Look at spirals naturally and those in design. Draw your own spirals.</p> <p>Task 2: Use squares to find spirals. Make your own colourful designs.</p> <p>Task 3: The Golden Spiral- Fibonacci's numbers. Use square paper to set out your own spiral.</p> <p>Task 4: Use the rule of thirds to make your own aesthetically pleasing sketch or painting.</p> <p>Here are the resources needed for all tasks.</p> <p>Year 6's Weekly Challenge: Create a page for our class Year Book. Here is a template and an example to help you. Please ask your parent to email your page to school: office@stcd.co.uk</p>
Times Tables	<p>Make sure that you can recall your multiplication facts up to 12x12. Complete a speed test: https://www.timestables.co.uk/speed-test/</p>

Remember to keep an eye on the [school blog](#) each day this week for other activity ideas.

We'll save our farewells for later in the week but we leave a little note here to say a big THANK YOU for all your wonderful work this week, this term, this year and throughout your time at St Clement Danes. We're so proud of you!

Take care and have a good week!
Best wishes, Miss Gould and the Year 6 team
