

Miss Pike

What is your fondest memory of St Clement Danes?

My fondest memory of St Clement Danes is when I did the Oranges and Lemons with the current Year 6. The children were so amazing and had great costumes for our performance celebrating British Music. The Adele dance made everyone cry!

Write a message to your class:

Dearest Year 6, I have been one of the luckiest teachers to have you twice as my class and the extra term at the end of Year 6. What a privilege it has been to be around the most delightful children! Good luck for next year and enjoy the adventures that await. 😊
